

The Lancaster Gazette.

Official Information as to Bonuses.

In the following circular from the Provost Marshal General, will be found official information as to the bounties now offered by the Government. The impression has prevailed to some extent that the \$300 bounty does not apply to recruits for old regiments. The Adjutant General decides that the bounty does apply to them. All recruits enlisted since the 15th inst. are certainly entitled to it, and will receive it without question:

PROVOST MARSHAL GEN'L'S OFFICE,
WASHINGTON, D. C., Sept. 15, '63.

His Excellency, the Governor of Ohio:

Sir—You are authorized to raise as many regiments of volunteers—infantry and cavalry—as you think you can complete in organization in a reasonable time. The proportion of cavalry should not be large.

The recruitment will be conducted under the provisions of General Orders No. 75, series of 1862, from the War Department.

The organization of the respective regiments and companies must conform to the requirements of General Orders No. 110, current series, from the Adjutant General's office.

All musters into service will be made, and supplies furnished, in accordance with the established orders and regulations of the Department.

To volunteers enlisted under this authority, bonuses, &c., will be paid as follows, viz:

2. At the first regular pay-day, or two months after muster-in, an additional installment of bounty will be paid, \$50; making pay and bounty then received, \$76.

3. At the first regular pay-day, after six months' service, an additional installment of bounty, \$50.

If the Government shall not require these troops for the full period of three years, and they shall be mustered honorably out of the service before the expiration of their term of enlistment, they shall receive, upon being mustered out, the whole amount of bounty remaining unpaid, the same as if the full term had been served. The legal heirs of substitutes who die in the service shall be entitled to receive the whole bounty remaining unpaid at the time of the soldier's death.

The Difference Between Union Men and those who Call Themselves Democrats.

We have collated the following sentiments in order that our readers may see the difference between loyal Democrats and Copperheads. That faction calling itself Democratic, claims to be loyal. Let the following sentiments determine. Conditional loyalty is little better than unconditional disloyalty:

Although there is a man in me that I did not help to get there, and although in him there is probably a good deal of copperheadism, yet in this great contest I acknowledge that he is not a party, but as the head of the Government, as the Executive officer of the nation, in the ranks. I hold it to be my duty to obey him.

—We are for peace because the war has failed, and we are not in a position to continue it. —We are for the abolition of things without agreeing to the policy in power.

—We are for peace because they please; there are but two friends; one is not a friend, and the other is a foe.
